ABOUT ME

Video production professional with 10+ years of experience, co-founding and co-running Visual Heads, a creative production house delivering 400+ projects. Proven expertise in full-cycle production from runner, grip, camera assistant, camera operator, editor, project management, team coordination, budget control and client relations as well as handling post-production and budget/settlements. Responsible, flexible and adaptable – equally effective in dynamic production environments.

WORK EXPERIENCE

2026 – PRESENT · COPENHAGEN

FREELANCE

lifeonset.life — On Set Assistant.

- Runner, grip, camera assistant, camera operator, editor

everypixellove.life — Social media video production.

- Producing short-form video content for social media

LANGUAGES

Polish — Native

English — B2, actively improving

EDUCATION

1994 – 1998

Technical Commercial Secondary School — Technician in Commerce

Chodzież, Poland.

INTERESTS

Passionate about spending time in nature — long-distance hiking, bushcraft and outdoor survival skills. I enjoy the self-reliance and problem-solving mindset that come with time in the wilderness. Also a regular at live music concerts.
